

Message from the Acting Mayor

COVID 19 Update

Lake Cowichan – May 12th, 2020

As Mayor Peters has taken a leave of absence to deal with personal issues, I (Councillor McGonigle) have been appointed as Acting Mayor. I thank my colleagues for their trust.

As we move forward expanding our social circles, and the relaxation of Provincial guidelines, it's as important now as in the beginning to continue our diligence in social distancing and ensuring we don't put those most vulnerable in harm's way. A big thanks to all essential workers continuing to help us through this difficult time.

As the weather warms, and the long weekend approaches, avoid the urge to gather in large groups possibly putting yourself and others in harm's way. Stay safe, stay healthy and let's get through this difficult time together.

Tim McGonigle
Acting Mayor
